Dr. Weinblatt,

Thank you very much for taking the time to share with our club the inner workings of the Police Academy at Seminole Community College. Your presentation provided insight to the training it takes to become a police officer and to maintain a positive relationship with the community in which the officer serves. It was also a chance for us to imagine what it would be like to serve on the "other side of the badge". We appreciate your ability to convey this to us and hope that we may have you speak to our club in the future as well.

Sincerely,
